

Work alongside local leaders, have a real say in how grant money is spent, and make an impact on the business and lifestyle of your community. Plus, gain **CAREER BOOSTING EXPERIENCE AND INSIDER KNOWLEDGE** about industries that matter to you.

Low time commitment - just a few hours a year.
Turn your great ideas into action so students stop saying,
"There's nothing to do in this town."

who want to help shape the future of

Klamath County

BE PART OF THE CHANGE

Youth voices matter!

Having a seat at the table lets you determine what businesses, events, and activities come to

Klamath County.

Positions are for 1 year, but appointees may reapply at the end of their term. Appointees get to make decisions on funding requests, up to **\$150,000** in some cycles!

Applicants must have a person 21+ willing to act as a reference.

What Would We Do?

- ✓ 2 seats are available on the Tourism Grant Committee and also on the Economic Development Grant Committee.
- ✓ Committees meet 1 – 3 times per year, typically in April and October. Grant applications are sent out in advance via email.

Who Can Be Part of the Change?

- ✓ Youth ages 16 – 20 are welcome to apply. Successful applicants will be interviewed by the County Commissioners and/or members of the committee.

Appointees are responsible for reviewing all grant requests submitted, scoring grant requests, then participating in a small group discussion to allocate funding recommendations to the County Commissioners. Committees meet in person, but Zoom requests can be accommodated.

Appointees get to know what's happening around them before anyone else!
